

Seniors On The Go Spring Break! May 4-7th, 2026, 4 days and 3 nights

Surfside Beach, South Carolina!

It's time to head to the beach for a little fun with your travel friends! Time to sit a bit and time to get some sand in between your toes. We'll enjoy some beach time and we'll enjoy a few places and have some great seafood! We'll be staying at a beach front small resort property and all rooms will feature a beach view of the beautiful Atlantic Ocean. They have a restaurant and bar on site, a pool, exercise rooms and other great amenities for you to enjoy. Here's our plans!

Day One – We will spend the day on the motorcoach getting to know our fellow passengers. An included lunch stop is planned. After check in you can relax a bit, and then we'll have an included dinner on site. Later, they will have music and 'Dancing through the Decades' for us in the Lounge. I want to see everyone on your feet!

Day Two – We'll have a full breakfast for you in morning. Then it's time to head over to Murrell's Inlet for our EcoTour by boat! You'll enjoy cruising and learning about the unique history, ecology, and natural beauty of this pretty coastal spot in South Carolina. Afterwards, we're off to the Dead Dog Saloon for an included lunch. The Lazy Gator shop is right next door where you can shop after lunch or just relax on the porch, or walk on the boardwalk. We'll return to the hotel for a little R and R, and then get back together to head in to Myrtle Beach for a fun night out. First stop is the always delicious and bountiful seafood buffet at The Original Benjamin's Calabash Seafood. How many crab legs can you eat? If you're not a seafood person, they have plenty of other options. It's always a great meal! Next up is the Carolina Opry Show! It'll be fun to see their show in the spring! It will feature all their great cast members, singers, dancer, their amazing clogging group, and comedian Rickie Mokel. I find him to be hysterical! I'm excited to see this show!

Day Three – Time to relax this morning. You can enjoy your included breakfast and chill for a little bit. We'll then board the bus to head over to Pawley's Island where we will enjoy an included lunch at Pawleys Raw Bar. Again, you'll have other choices than seafood. Next up is The Hammock Shop Village. The original Hammock Shop is still there and they are still making beautiful hammocks. Their village features other fun shops, ice cream, and other places to browse. We'll then head back to the hotel for a bit more beach time....or nap time....your choice. We'll gather for an included wine toast at sunset. The rest of the evening is yours to enjoy and you can take in dinner on your own this evening.

Day Four – Time to bid this beautiful spot goodbye after breakfast. We'll take our time heading home and will take in an included lunch in route. Depending on time, we should be back about 5:00 pm.
